Motion to accept minutes of the previous meeting of 8 August 1979

Upon the advice of the Corporation Counsel, the Board voted to accept the following personnel requisitions. These requisitions were previously signed by the Chairman, John M. Robinson. (No meetings of the Board due to the illness of Comm. Fitzgerald during this period). The Corporation Counsel recommended a full vote of the Board on the following:

Request to Civil Service asking for an unassembled qualifying examination for the position of Executive Secretary. This request would establish John J. McElligott, Executive Secretary, permanent status in this title.

Motion to forward letter to the Supervisor of Personnel (9 F) requesting that John J. McElligott, Executive Secretary, be placed in the highest step in his grade.

Request to Civil Service asking for an unassembled qualifying examination for the position of Administrative Assistant. This request would establish Karol Kostka, Administrative Assistant, permanent status in this title.

Joseph Gauthier, Sr. Asst. Registrar, under submission of a 9 F letter to the Supervisor of Personnel was placed in Column 7, due to his prior service.

Mary L. Markey, Sr. Asst. Registrar, under a submission of a 9 F letter to the Supervisor of Personnel was placed in Column 7, due to her prior service.

Vilma A. Gallo, Asst. Registrar, under submission of a 9 F letter to the Supervisor of Personnel was placed in Column 7, due to her prior service.

John F. Donovan, Head Asst. Registrar, under submission of a 9 F letter to the Supervisor to Personnel was placed in Column G (management), due to his prior service.

Vincent H. Cawley, Asst. Registrar, under submission of a 9 F letter to the Supervisor of Personnel was given the title of Coordinator-Voting Machines------a newly established title. Due to his experience and backround in trucking and heavy equipment operations, the Board felt the necessity to assign Mr. Cawley to the Voting Machine Division.
The Board voted to accept the above requisitions.

Commissioner Joyce brought to the attention of the Board that a request had been received to change the polling location in Ward 20, Precinct 1, from the Hebrew Rehabilitation Center to the Longfellow School.
Motion to study this change. Board will request a written request from the voters in this precinct, signed by 250 registered voters requesting to have this polling location changed. Also, the Board will talk to the State Representative and Senator in the District. The Board would like to have former City Councillor Connolly put some input into this request.

Board received a telephone request from William F. Galvin and John Melia, Representatives in this District, to change the polling location in Ward 22, Precinct 5, from the Lithuanian Club, entrance 22 Lincoln Street to Engine Company 34, 444 Western Avenue.
Motion by the Board to approve this change.

Board in receipt of requests signed by voters to change the following locations.

Ward 13, Precinct 2, from the Benedict Fenwick School, Magnolia Street to the Spanish Pentecostal Church, 5 Howard Avenue.
Joseph Musto and Vincent Cawley of the Voting Machine Division surveyed this location and reported to the Board that this location was not accessible to the voters, the floor of the building would not carry the weight of the voting machines.
Motion by the Board to decline this change.

Ward 17, Precinct 5, from Girls' Latin School, Codman Square to the Syria Temple #31 Community Center, Norfolk Street and Darlington Road.
Joseph Musto and Vincent Cawley of the Voting Machine Division surveyed this location, agreed that the building was satisfactory. Informed the Board that Beano is held every Tuesday night. Taken under advertisement by the Board as to availability of year round storage for voting machines and providing that Tuesday Beano will not conflict with the days of the Election.

Ward 21, Precinct 14, Alexander Hamilton School, Strathmore Road and Chestnut Hill Avenue to the Brookline-Brighton-Newton Jewish Community Center, 50 Sutherland Road.
Joseph Musto and Vincent Cawley of the Voting Machine Division surveyed this location, advised the Board that it was accessible to the Handicapped, good parking and in between storage.
Board voted to approve this change.

Ward 6, Precinct 9, South Boston K. of C. Building, O Street to Ward 6, Precinct 7, St. Brigid's School, Entrance O Street and Broadway. Commissioner Joyce brought to the attention of the Board that it would serve no purpose to make this change as St. Brigid's was not accessible to the Handicapped and there is no room for storage of voting machines.
The Board declined to make this change.

To: Board

From: Commissioners Michael A. Joyce and Eugene C. Hillis

Based on our study of Ward 20, Precinct 1, we offer the following data to support our recommendation for the change.

	1976	1978
Residents	1532	2086
Registered	1127	1203
Turnout - Nov.	983	925

With the addition of 1200 Centre Street in 1978 residents increased by 36%, registered voters increased by 7% and turnout decreased by 6%. This decrease is magnified by the fact that both residents and registered voters increased. We chose to compare 1976 to 1978 although in 1976 there were no constitutional officers on the ballot which would have increased turnout.

In a street by street review, we find that the turnout was most significantly affected in those streets furthest from the 1200 Centre Street polling place.

In essence, we have deprived those residents of the residential area from easy access to the polling place. We feel the prior board action was ill advised and recommend returning the polling place to the Longfellow School, which, according to our inspection of the precinct is the only alternative building.

The Board voted to lease vans for the Preliminary Election.

Commissioner Joyce explained that there is 2067 residents in Ward 20, Precinct 1 of whom 1400 are registered voters. He also told the Board that the majority of the voters do not live at 1200 Centre Street.
Mr. Thompson expressed concern to the Board as to the possibility of a heavy volume of absentee ballots and the notarization of same. He asked the Board for assistance in obtaining the help of the League of Women Voters to assist in the processing and casting of Absentee Ballots.

The Board voted to send a letter to the League of Women Voters. Copy of letter on file.
Michael Killion, a voter from Ward 20, Precinct 1, explained to the Board that he was representing the voters in the lower end of the precinct. Mr. Killion told the Board that the present polling location was remote to the voters, difficult for the Elderly on the streets in the area to use the present location and problems of walking to the Hebrew Rehabilitation Center. Board voted to make this change.

The Board voted to give further study to the request for changing Ward 17, Precinct 5, from Girls' Latin School, Codman Square to the Syria Temple #31 Community Center, Norfolk Street and Darlington Road.

The Commission feels that the need of these boxes is critical.

Motion to send letter to the Director of Budgets requesting additional monies for telephones --- installed in this Department for the purpose of issuing certificates to voters whose names have been dropped from the voting list (as required by law), on the day of the Preliminary Election. Commissioners Joyce and Hillis met with William McNeil, Director of Budgets on Tuesday, 21 August 1979 to discuss the necessity of a supplemental budget request in Items 29, 21, and 59. The Board voted to call for a qualifying examination for the positions of Administrative Assistant and Asst. Executive Secretary.

Petition for registration of voters received by the Board from the Arlington Street Church requesting registrars to be present on Saturday, September 15th.
The Board voted against this request for the reason - that persons who would be registered at this session would presume that they were entitled to vote at the Preliminary Election. Registration of voters for the Preliminary Election ceases on 5 September 1979, thus, these newly registered voters would be placed on the second supplementary list of voters for the City Election, 6 November 1979.
Board voted to reschedule registration.

Motion by the Board to take under advisement the request for changing Ward 21, Precinct 14.
The Board will not move this polling location at this time, they will study it further.

The Board voted to use the Episcopal Diocese Building, 1 Joy Street.

The Board received an adverse report on the Syria Temple #31 Community Center, Norfolk Street and Darlington Road, Ward 17, Precinct 5.
Vincent Cawley, Coordinator of Voting Machines, told the Board that this building was of wooden structure, that voting machines would have to be rigged, parking is poor and there is no custodian on the premises.
The Board declined to make this move.

After a study by the Board on moving the polling location in Ward 10, Precinct 4, from the Farragut School, Huntington Avenue to the Robert and Theresa Parks Community Building, 2 New Whitney Street, the Board voted to make this change.
Mrs. Parks, a representative from this area told the Board that there are 775 senior citizen units in this location, many wheel chair residents and handicapped. She further explained that that this location is accessible to the handicapped and wheel chair voters and that the Farragut School was very difficult for the voters in this area.

Board voted to adjourn.

Immediately following this meeting the members of the Board went into Executive Session to review the final report of the findings of the Boston Finance Commission.

The Board met this day with Dennis Morgan to discuss departmental budget for 1980-81 fiscal period.

Commissioner Robinson requested this meeting due to his concern of insufficient monies to meet the requirements of law in preparation of the upcoming State Primary and State Election.
Commissioner Robinson stated that the blame for overspending lies with the Administrative Sections - Budget Division, and should not be placed on the Commissioners - insufficient monies are appropriated.
Mr. Morgan told the Board that there would be no commitment at this time, but, there would be a supplemental budget once the appropriation for fiscal period 1980-81 was finalized, appropriation first, supplemental second.
Commissioner Robinson and Commissioner Joyce cited the need of overtime in this Department in preparation of the State Primary and State Election.
Commissioner Robinson told Mr. Morgan that all unnecessary overtime had been cut, and that this Department would operate on rock bottom monies.
Commissioner Joyce explained that overtime monies were used to meet the obligations mandated by law, that the ballot for Representatives and Senators was a complicated ballot - School Custodians - Custodians used for private buildings - training of Election Officers, etc. were all factors making overtime monies necessary.
John Donovan presented a breakdown of all expenses necessary for the preparation of the State Primary and State Election for overtime. John told the Board that he had cut back on overtime hours and expenses as much as possible, by cutting down hours for registration sessions, coordinating requests for special registration sessions to be held at the same time as Ward Registration.
Maurice Doyle presented a breakdown of all expenses at the Warehouse and told the Board that expenses were cut back by lessening the work day to 4 hrs. overtime, Monday thru Friday, and on Saturdays and Sundays to 8 hrs. overtime. Also, work teams were cut back from 4 men teams to 3 men teams.
Mr. Morgan told the Board that he would get back to them within a week.

William Galvin, Representative, from Ward 22 appeared before the Board this day to discuss the proposal by the Board of changing the following precincts:

Ward 22, Precinct 4 from the Oak Square School to the V.F.W. Post, 395 Faneuil Street
Ward 22, Precinct 7 from the Engine Company, 425 Faneuil Street to the V.F.W. Post, 395 Faneuil Street

Maurice Doyle of the Voting Machine Division cited the reasons for moving Precinct 4 were: Interruption of classes, moving of heavy furniture to get to the machines. He told the Board that

the V. F.W. Building was very accessible to the voters and the handicapped.

Mr. Galvin told the Board that the school was in the precinct, and that there was a hill to climb to get to the V.F.W. Building and that the elderly would have to cross a main street to get to this location.
Mr. Galvin suggested to the Board to move Precinct 4 into Our Lady of Presentation School, Oak Square and to move Precinct 13 into the V.F.W. Building.

The Board told Mr. Galvin that they would consider this move, and advise him of their decision.
